

April 2022

**Hello~ Thank you for taking time to read.....**

Life is UNCERTAIN..... it always will be....

We are people with LOVE and COMPASSION striving to be the BEST we can be by the information given to us. Ultimately, we will do what makes us feel comfortable and happy. Because at the end of the day when we sleep this is the peace that allows rest and relaxation.

**We have many new families that have joined us and are learning about the magic here at K Peas Place and in my Music with Mar. Classes around Tampa Bay!**

Here is the history of my HOW, WHY, WHERE, WHAT...

- 9/ 2003 - Opened A Play Patch- same business as K Peas Place- with a partner.
- 2/ 2005 - Left the partnership and went mobile.
- 5/2005- Our firstborn son, Mathew, was diagnosed with Leukemia age 2.5yrs.
- 2005-2017 - I maintained community mobile classes at churches, preschools, libraries and traveled nationally/ internationally keynote speaking and teaching early childhood educators about the Music with Mar. Curriculum.
- (2008- current – Paul’s Project organization in memory of Mathew- comforting families facing medical challenges in ICU and RMH.) K Peas Place is the host site for Paul’s Project where we assemble PACKS (PARENT. ACCESSARY. CARE. KITS for families in medical situations)
- 1/2017- reopened as K Peas Place! (The ladybug symbol used to be a snail= as a message to slow down enter the garden and just be with your children- the new logo replaced the snail with a ladybug- a symbol of Mathew as he loved ladybugs, Mathew passed away at age 5yrs on April 16<sup>th</sup>, 2008, after battling Leukemia. When we open K Peas Place, Tuesdays were dedicated to The 1 Voice Foundation for their TOTs program privately- they now have their own space in Brandon, Fl.
- The name K PEAS PLACE ~ K= Karen, P = maiden name Pasqualichio, (school age nickname KP, hence K Peas Place- PEAS = goes with the theme Mat and I are like Peas and Carrots, we go together- Mat named the business)
- 1/2020 - My husband, Mat, was diagnosed with brain cancer and I was going to shut down K Peas Place to be by his side. He advised me to keep it open. Our staff kept it open... I returned in February as Mat came home and began treatment. He is working full time and has stable scans... again life is uncertain....)
- 3/2020 COVID - Worldwide Pandemic Closed K Peas Place.
- 3/2020-7/2020 - pivoted to ONLINE classes and began OUTDOOR classes
- 7/2020 - K Peas Place reopened
- 7/2020-2/2021 maintained ONLINE and OUTDOOR classes to meet the needs of our community navigating through fears of COVID.
- 3/2021- 5/2021- I took time off on Fridays to regroup, meditate, and reflect on the future of our classes and operations at K Peas Place.
- 5/2021 – currently - added Fridays to accommodate growth.
