**"We love the  
variety there,  
we attend:  
music class,  
preschool classes, &  
open play!"**

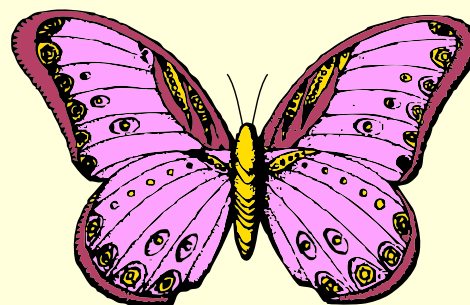

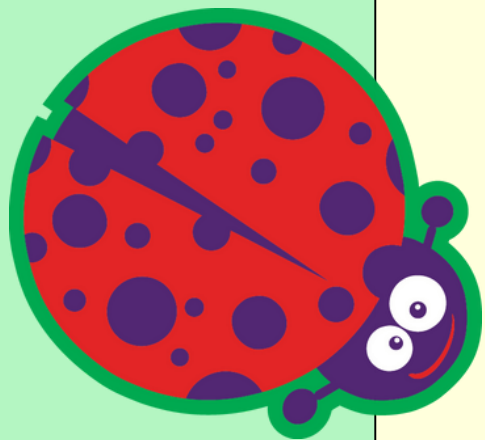

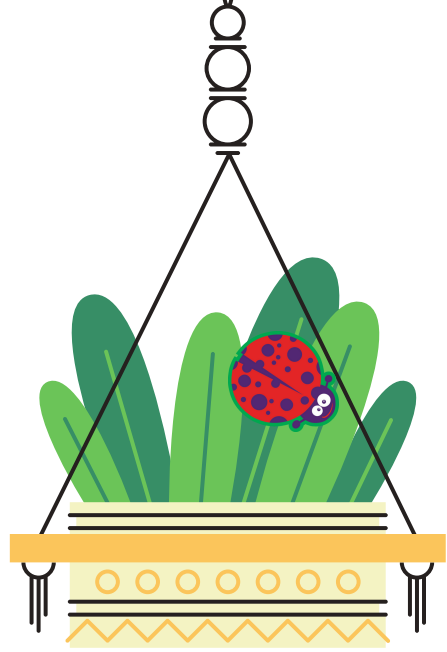

**"I love K Peas Place! I used to take my daughter when she was less than 1 year old and now have been taking my son to music class and open play. Miss Karen is a wonderful teacher! The kids love her class and her space is so clean! My kids have a hard time leaving every time we go there. I highly recommend this place!"**
